Correct Filing Receipt and Add Missing Page to Declaration

Assistant Commissioner of Patents
Washington, D.C. 20231

Sir:

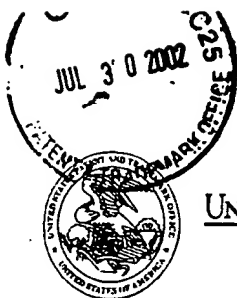

Please correct the filing receipt to add one more inventor, Robert A. Selzer of Waterbury, Vermont. Mr. Selzer should be the first named inventor. Attached is a copy of the marked up filing receipt. Attached also is a copy of the declaration with all the inventors as filed with the parent case. Please add the missing page to the declaration in the PTO files for the present case. I omitted page 2 of the declaration with Mr. Selzer's name when I filed the divisional application. Thanks very much.
